Two Truths and a Lie: It's Alive! (Ages 8 to 12)

Every story in this book is strange and astounding... but not all of them are real. Just like the old game in this book's title, two out of every three stories are completely true, and one is an outright lie. Can you guess which? It's not going to be easy! Some false stories are based on truth, and some of the true stories are just plain unbelievable. And they're all accompanied by dozens of photos, maps, and illustrations. Amaze yourself and trick your friends as you sort out the fakes from the facts!

Emmanuel's Dream: The True Story of Emmanuel Ofosu Yeboah (Ages 4 to 8)

This picture book biography tells the true story of Emmanuel Ofosu Yeboah, who bicycled across Ghana--nearly 400 miles--with one deformed leg. With that achievement he forever changed how his country treats people with disabilities, and he shows us all that one person is enough to change the world.

Be A Changemaker: How to Start Something That Matters (age 12 and up)

An empowering how-to guide for teens who want to effect social change in their communities and around the world. Equal parts instruction and inspiration, the book includes tools and tips, exercises, and profiles of young social entrepreneurs who've already made their marks on the world.
