

Speak Easy

Level 1*

Stand Up and Shout Out Loud... *This class is FUN!*

Isn't learning how to captivate an audience something that everyone could benefit from? Why not start at an early age when it's easiest to grasp concepts and overcome fears. This class is all about **inspiring kids to do great things!** And the best part is that it is fun, too!

Through interactive games and fun activities you will learn how to:

- *Stand out in a crowd using specific tips for success.*
- *Craft your message*
- *Improvise - sometimes acting goofy is the best way to overcome fears!*
- *Team build and lead others*

The class will culminate with an interactive presentation for family and friends.

**Continue to master your speaking and leadership skills with Speak Easy 2 and It's Debatable!*

"Surpassed expectations! I'm very happy with Daniel's improvements and all that he accomplished and so is he!"
